

## D) Consideration of revising the Student Code of Conduct

Resolved that the Board of Education of the Bridgehampton UFSD suspends the multiple readings of the Student Code of Conduct (2410) for policy amendments, effective immediately.

Motion: Walker                      Seconded: Kotz                      Vote: 7-0

Resolved that the Board of Education of the Bridgehampton UFSD agrees to amend project SAVE, Code of Conduct to include in Appendix A, Section VI, C2: Radios, headset, beepers, CD players, cellular phones, personal digital assistants, digital cameras, electronic games etc., are disruptions to the learning process. These items are prohibited within the classroom and during the instructional day, except where required as part of a class assignment. All such equipment will be confiscated and held until a parent comes in to pick it up.

Motion: Kotz                              Seconded: Walker                      Vote: 7-0

Resolved that the Board of Education of the Bridgehampton UFSD agrees to amend project SAVE, Code of Conduct to include a seventh item under Student Dress Code, Section V, to read: not include the wearing of hats or headwear of any kind, including but not limited to hats, bandanas, visors, hoods, scarves, or headbands, except for a religious or medical purpose. This reflects current community standards on proper decorum and deportment.

Motion: Turner                              Seconded: Kotz                      Vote: 7-0

**IV. OLD BUSINESS:**

- A). Continued discussion of the Site-Based Management Team's Recommendations – Mr. Pryor will bring additional information at the September 26, 2005 workshop.

**V. NEW BUSINESS:**

- A. Tiffane's Law – Mr. Walker presented a copy of a new insertion of a law regarding vehicle and traffic laws to the Board. The law states that: (a period when the beacons attached to the school zone speed limit signs are flashing and such sign is equipped with a notice that indicates that the school zone speed limit is in effect when such beacons are flashing, provided, however, that such beacons shall only flash during student activities at the school and up to thirty minutes immediately before and up to thirty minutes immediately after such student activities). He said that he is trying to have the devices setup in house giving the district the right to turn the beacons on when an activity is happening at the school. He informed them that he will follow through with this matter.
